1. Since we have unfortunately not as yet been able to digest all the USAGE records inherited from POB and at the same time keep up with current matters, we are forwarding you a copy of an interim summary of USAGE operational contacts (SLZ/5434) which was prepared in April. Progress is being made on putting the USAGE operations into notebook form, and we devoutly hope that before too long we will be able to give Headquarters a more organized and up to date picture of all contacts by true name and cryptonym.

2. The contacts listed in SLZ/5434 are further identified in the attachment to MASA-1877 (SLZ/5435).
